Times and platform

All workshops on the January - June 2021 calendar will be conducted online via the Zoom Platform. A link and instructions will be emailed to you 1 week prior to the workshop. Please log in 10 minutes prior to the advertised time to allow time to trouble shoot any issues prior to commencement time.

PARTNER ORGANISATIONS

GIVE US A CALL

Do you need support, advice or an opportunity to reflect about a specific child or young person you're working with? For secondary consultation of a child aged 0 – 14 years call Royal Children's Hospital Mental Health Service on **1800 44 55 11** or for a young person aged 15 – 24 years call Orygen's community development team on **9966 9100**.

Our agencies provide mental health consultation, training and mental health promotion to community-based services across the child, youth, health, education and welfare sectors. Our aim is to strengthen the capacity of individuals and organisations to identify and respond to the mental health needs of children and young people.

We aim to work collaboratively with individuals and organisations in order to identify gaps in the community sector and provide appropriate responses to these needs, such as training, specialist consultation, access to youth mental health resources, help with identifying referral pathways for children and young people, and to support, develop and implement strategies to improve mental health amongst children and young people.

Orygen is a youth mental health service for young people aged 15 – 24 years. As well as direct service delivery to young people and families in the northwestern and western metropolitan region of Melbourne, Orygen provides training, secondary consultation and partnership activities. www.oyh.org.au

Royal Children's Hospital Mental Health provides a specialist community-based child and adolescent mental health service. RCH MH has three community teams located at Wyndham, Sunshine and Flemington for clients aged 0-15 years, and an adolescent Inpatient Unit. www.rch.org.au

Travancore School is a Department of Education and Training facility that services the educational needs of children and young people who are clients of Royal Children's Hospital Mental Health (RCH MH) or Orygen Specialist Services. www.travancoresch.vic.edu.au

headspace Sunshine, headspace Glenroy, headspace Craigieburn, headspace Werribee and headspace Melton are a one-stop –shop model of care (covering general health, drug and alcohol support, vocational and educational assistance, mental health counselling and support) designed to make it easier for young people 12-25 to get help. www.headspace.org.au

headspace National Youth Mental Health Foundation Ltd is funded by the Australian Government Department of Health under the Youth Mental Health Initiative Program.
